ONEMEAL PARTNERSHIP - RWANDA AFRICA NEW LIFE MINISTRIES

## COUNTRY CHALLENGES:

In 1994, Rwanda experienced the swiftest genocide in history, over 800,000 people were killed in just 90 days. As a result of the genocide, the AIDS epidemic flourished, the orphan population exploded, and communities were destroyed. The people of Rwanda have chosen a path of reconciliation, and have been committed to rebuilding their country together through forgiveness and overcoming their past tragedies together. The people and country have made great strides in the past 25 years, but poverty remains widespread in Rwanda.

## MORE ABOUT OUR PARTNER:

Africa New Life Ministries exists to break the cycle of poverty in Rwanda by providing education, spiritual insight and basic necessities to children and families. Africa New Life was founded by Rwandans. Through their various ministries, ANL is improving health and education for the more than 10,000 children they serve. A key aspect of providing this education is serving a nutritious meal daily in their school lunch program.

## OUR IMPACT THROUGH ONEMEAL

For children to learn and experience hope, it is vital to first meet their need for daily nutrition. Kids Around the World partners with Africa New Life to provide **life-sustaining meals** to the children they serve. Every day the children attend school, they know they will receive a nutritious meal. OneMeal food provides the protein and nutrients they need to fuel their bodies and minds for learning, play and overall health.
