ONEMEAL PARTNERSHIP - UGANDA PASTOR MOSES

## COUNTRY CHALLENGES:

There are currently 4.3 million people displaced from their homeland of South Sudan, including nearly 2 million refugees who have fled to Northern Uganda. Over half of all South Sudanese refugees are children. The vast majority of children in the refugee camps are unaccompanied minors who either lost their parents to genocide, or have been separated from their families while fleeing to safety. Overcrowded and resource-poor refugee camps leave hundreds of thousands of children lonely, destitute and starving.

**62%** OF REFUGEES IN UGANDAN CAMPS ARE CHILDREN,

### **MORE ABOUT OUR PARTNER:**

Pastor Moses Andruga, a South Sudanese refugee himself, is a lead pastor and church planter with a specific calling to shepherd the hearts of children. Since arriving in Uganda, he has established many outreach centers throughout several refugee camps where he has launched informal schools, feeding programs, and StoryClubs to bring help and hope to thousands of refugee children. He is busy raising up young leaders to multiply this work throughout the camps.

### **OUR IMPACT THROUGH ONEMEAL**

When KATW met Pastor Moses, he was leading one small church in the Pagirinya Refugee Settlement. After attending a KATW KIDStory workshop, Pastor Moses felt a specific calling to reach and serve children in Jesus's Name. Since that training, Kids Around the World has directly supported the work of Pastor Moses through OneMeal, Playgrounds and KIDStory to establish outreach centers and deliver hope to thousands of children and families throughout Northern Uganda, and more recently in South Sudan.

**FOR REFUGEE CHILDREN, ACCESS TO A WARM DAILY MEAL IS A PRECIOUS GIFT. WHEN YOU PACK MEALS FOR UGANDA, YOU ARE HELPING TO CREATE A HOPEFUL ENVIRONMENT WHERE CHILDREN CAN COME EACH DAY TO EAT NUTRITIOUS FOOD, LEARN, PLAY, AND SIMPLY BE A KID. SERVING THESE CHILDREN HELPS THEM MOVE FROM A DEEP PLACE OF HURT, TO A SAFE PLACE OF HOPE.**
