

ONEMEAL PARTNERSHIP PERU **SU REFUGIO**

COUNTRY CHALLENGES:

6.9 million Peruvians live in poverty - nearly one out of two Peruvians- three out of five in the case of children - and one out of five is extremely poor. Some of the main causes contributing to poverty in Peru are natural disasters, the stark divide between rich and poor, and inequality faced by women. A large number of indigenous children under 5 years old suffer from chronic malnutrition.

MORE ABOUT OUR PARTNER:

The mission of Su Refugio in Peru is "To care for orphans and widows in their distress...for the glory of God". They fulfill this as they purpose to provide food, housing, education and medical care to orphans and children in need, provide vocational training to widows and single moms so they can provide for their families, and assist in the establishment of churches.

OUR IMPACT THROUGH ONEMEAL

Kids Around the World partners with Su Refugio to provide OneMeal nutrition, playgrounds, and our KIDStory discipleship program to the children they serve throughout Peru. In OneMeal feeding centers across the country, children gather to receive **life-sustaining meals**, play and be encouraged through the Word of God and a staff who cares for them. Along the Amazon River, in the hillside towns outside of Lima, and in the high mountains of Peru, KATW and Su Refugio are working together to meet the physical, emotional, and spiritual needs of the children in these impoverished communities.
