

# Elegu Fence Project

## UGANDA

# Elegu Fence Project

In the Elegu Hope Zone, located near a busy refugee crossing, animals often wander under the community's shade structure, disrupting Story Clubs and creating unsanitary conditions. Installing a secure fence will protect this space, ensuring children can gather safely each week to play, learn, and grow in God's Word without interruption.

**Financial Need: \$2,000**

*Thank you for your partnership in this transformative mission!*
